Building Healthy Communities DNATL

TEAM Navigational Chart

Goals	Strategy and Timeline	Drivers of Change	Decision Maker	Technical Assistance Resources	Allied Work
Long Term (The ultimate change you seek to make) **Short Term** (Smaller changes that help you get closer to your long-term goal)	What you **will do** so that the decision-maker gives you your long term/short term goals.	**People/ Youth Power:** Who is the "most impacted" by this issue and should join in? Who are your allies? **Changing the Narrative/ Raising the Profile:** How do we raise the profile, the awareness, of this issue to make it more important and visible in our community? **Moving the needle**: How will we show that we have made change? -What information do we need to tell the story well (both of the need and the successes)?	**Primary Decision Maker**: The person who has the power to give you what you want (what is their name)! **Secondary Decision Maker**: The people who influence the primary target (not always necessary!)	What **technical assistance** is required to accomplish the goals?	What are other **aligned projects** connected to your goal? What organization /group is responsible for that work?
