The purpose of the RTT-ELC program is to improve the quality of early learning and development and close the achievement gap for children with high needs. The RTT-ELC grant competition focuses on improving early learning and development for young children by supporting States' efforts to increase the number and percentage of low-income and disadvantaged children in each age group of infants, toddlers, and preschoolers enrolled in high-quality early learning and development programs; and designing and implementing an integrated system of high-quality early learning and development programs and services.
