The California Dental Association (CDA) Foundation’s mission is to improve the oral health of all Californians by supporting the dental profession and its efforts to meet community needs. The CDA Foundation Grant Program provides support to community nonprofit organizations and clinics that address oral health care issues, with emphasis on projects targeting vulnerable people, including children, uninsured families, caregivers, and the elderly. Grants of up to $25,000 are available in the following categories: preventive care, consumer education, restorative care, fluoridation, and other programs (other than mobile) that clearly demonstrate methods for increasing access to oral health care.

Street Outreach Program
Posted: 25 Jun 2012 12:34 PM PDT
Agency: Administration for Children & Families - ACYF/FYSB
Funding Opportunity Number: HHS-2012-ACF-ACYF-YO-0320
Today, in communities across the country, young people are living on the streets after running from or being asked to leave homes characterized by abuse, neglect, or parental drug and alcohol abuse. Once on the streets, such youth are at risk of being sexually exploited or abused by adults for pleasure or profit. In addition, such youth may engage in shoplifting, survival sex, or drug dealing in order to provide for their basic needs. These services, which are provided in areas where street youth congregate, are designed to assist such youth in making healthy choices regarding where they live and how they behave.
