February 4, 2013

Dear Friends and Neighbors,

Friday, March 1, 2013 marks the National Education Association's "Read Across America" day, an annual reading motivation and awareness program that calls for *every child* in *every community* to celebrate reading on the birthday of beloved children's author Dr. Seuss.

The Youth & Family Resource Center at CB Wire Elementary School is bringing this special celebration to students Kindergarten through sixth grade, and we are cordially inviting you to join us! **Plant the seed of reading in a young child's mind by joining us as a SURPRISE READER!** Surprise Readers pop into their assigned classroom for about fifteen minutes to introduce themselves, read a favorite age-appropriate children's book to the class, and share why reading is important to them.

Surprise Readers are a CRITICAL piece of the success of this event – when students see volunteers from the community taking time to read in their classrooms, they know that people care about them and that reading is important!

Please consider giving a few minutes of your time on Friday, March 1st to read to a classroom of eager children. You may bring your own favorite book or we will have a great selection waiting for you to choose from when you arrive. **Complete the form below and return it to YFRC Coordinator Liz Sterba no later than Friday, February 15, 2012**, via fax at 916-433-5443 or via post at 5100 El Paraiso Avenue, Sacramento 95824. We will confirm your participation with an email including your reading time and classroom information.

We look forward to seeing you!
