EDUCATION
COUNCIL

PROMOTING HEALTHY COMMUNITIES.
HEALTHEDCOUNCIL.ORG

We are excited to announce that Capitol Health Network and Health Education Council, in partnership with Covered California, will be hosting FREE trainings for Certified Enrollment Counselors (CECs). As a result of the training, your staff and volunteers will be able to enroll the community in Covered California health insurance plans and Medi-Cal, expanding health access in the Sacramento region. Training topics include understanding the Affordable Care Act, health insurance, Covered California, available insurance plans, and how to assist consumers in selecting a health home.

We would like to invite the staff, volunteers, and community members of your organizations to join us for one of the following training dates:

- November 13th-15th
- December 4th-6th
- December 16th-18th

If you have any additional questions or would like to register in one of these trainings, please contact Nenick Vu at (916) 897-7078 or nenickvu@gmail.com. Training registration will end the Friday before the training begins.

Thanks again for helping us spread health access in the Sacramento region.

Sincerely,

Nenick Vu

Please note all CECs must pass a certification exam before they begin enrollment. Also, in order to receive compensation per enrollment, CECs must be designated under a Certified Enrollment Entity (CEE). If your organization is interested in learning more about becoming a CEE, go to <https://assisters.ccgrantsandassisters.org/Account/Register> to begin the application process.
