Position Description for the Building Healthy Communities Program

Job Title: Hub Communications Specialist
Reports to: Hub Manager

PROJECT BACKGROUND AND DESCRIPTION

Building Healthy Communities (BHC) is a 10-year strategic effort funded by The California Endowment (TCE) aimed at improving the health status of communities in fourteen California sites. BHC is working to create healthy communities through policy and systems change driven by intentional resident engagement and systems partnerships.

ROLE

The Hub Communications Specialist serves as the media contact and spokesperson for the Building Healthy Communities Hub. The position’s primary function is to provide day-to-day media support and coordination of publicity and public relations related to the Hub, BHC and TCE, as they relate to the Southwest Merced/East Merced County site. He or she also assists with other project-related activities as needed.

Given the nature of the work, this position requires flexible hours including work on some evenings and weekends. The Communications Specialist will be expected to make the position his or her top priority and to arrange a work schedule that reflects that level of commitment.

Based on the job duties described below, this is an exempt position with prorated benefits.
RESPONSIBILITIES include the following (other duties may be assigned).

Under the overall direction of the Hub manager,

1. Serves as the lead media contact for the BHC Southwest Merced / East Merced County Hub.

2. Prepares and distributes messages to media outlets in the form of media advisories, press releases, flyers, brochures, newsletters, posters, presentations, speeches and blogs.

3. Generates regular on-line content for Hub-managed sites including, but not limited to web pages and social media outlets (including Facebook, Twitter, YouTube and BHC Connect).

4. Provides photography for a variety of Hub events. Edits photos to create relevant presentations for various meetings, conferences, and convenings.

5. Covers a variety of events, meetings, and conferences as a Hub reporter, submitting photos and articles to local media outlets when their own reporters cannot attend.

6. Coordinates the production of written columns, Letters to the Editor, and responses on social media on issues important to BHC.

7. Creates and updates a comprehensive communication plan and budget.

8. Maintains inventory of media equipment.

9. In conjunction with Hub staff, plans and coordinates large community events and smaller social events.

10. Creates and administers surveys and other evaluation instruments designed to obtain input and feedback from community members, partners, and other audiences.

11. Maintains records that measure the scope and effectiveness of messages, relating them to goals identified in BHC project plans, the Southwest Merced / East Merced County BHC logic model, project narrative and the TCE/BHC campaigns.
12. Engages other Hub staff, TCE, and BHC Hub managers and others in identifying topics and generating messages that inform the community of local efforts to achieve BHC goals.

13. Serves as an advisor, trainer and collaborator to community partners as they communicate within the Hub and to the community.

14. Develops and manages a community calendar and an electronic newsletter for events relating to BHC.

15. Coordinates translation and interpretation services for key documents and media events.

16. Composes and/or types, photocopies, compiles, and distributes program correspondence, invitations, forms, packets of program handouts, and other items as requested.

17. Contribs regularly to required progress reports and produces written summaries as requested.

18. Maintains a centralized data base of contact information of BHC stakeholders, including mailing lists and e-mail lists for Southeast Merced County BHC members.

19. Participates on TCE statewide and regional networks and convenings designed to leverage the BHC communication coordinators’ efforts because the volume of information is substantial and will grow during the 10-year-long project lifespan.

20. Other duties as assigned.
